

CONTRACT DAY

Assignments due end of day — Tue, Sept 1

The one rule that trips people up

Coming off an expired 'A' contract?

That player can only be re-signed to a B contract (C-2B or C-1B). Never another A. Those players are flagged in amber on your page.

Contract types

- C-2A2 years, A status — can be re-signed later
- C-2B2 years, B status — gone after it expires
- C-1B1 year, B status — gone after 2026
